Dr. Martin's Syrup of Wild Cherry and Sar-

Dr. Martin's Syrup of Wild Cherry and Sarsaparilla.

THE WILD CHERRY AND SARSAPARILLA,
which, on the basis of this preparation, have
long been celebrated in Consumption and Scrofula,
Discases of the skin, Coughs, Colds, Spitting of
Blood, Asthma, &c. Though this remedy has been
but a short time before the public, yet it has gained
perhaps more character and reputation as a curative in those diseases than any remedy of the day.
The Bishop of the Protestant Episcopal church,
(the Right Rev. W. R. Whittingham,) authorized
us to say he has used it in his own person with decided benefit—Dr. S. Harper, of Kent Island, has
written to us, he has used it with great success in written to us, he has used it with great success in his practice [see his letter in the pamphlet.] And in a letter from a lady on the Eastern Shore of this State, she says: "I had a letter from Miss Eon Tuesday; she says mother has requested her to say, Isabel derived almost instantaneous relief from DR. MARTIN'S SYRUP OF WILD CHERRY.

Her disease was Consumption in its forming stage.

The Boonsborough Odd Fellow, of Washington county, Maryland, June 20th, 1849, says: "When an article has afforded relief to so many persons as DR. MARTIN'S COMPOUND SYRUP OF WILD DR. MARTIN'S COMPOUND SYRUP OF WILLD CHERRY has done, we feel bound to make it knewn. There never was an article in this coun-try that has afforded relief and gave more satisfac-tion than this. In the neighborhood of Brownsville, in this county, it has effected several important cures, and, from our own certain knowledge of it, we pronounce it unequalited for the cure of Coughs, Colds, and diseases of this kind."

By George P. Sanger, Counsellor at Law. Royal 8vo.

"We speak from personal knowledge, and after a thorough examination, when we say, that this work has been executed with the most remarkable fidelity and accuracy. To form an idea of the magnitude of the task, it may not be amiss to say that contains between fifty and sixty thousand case. These are alphabetically arranged, and the references are made both to the page of the Volume where the case is reported, and to the page of the Digest where it is found."—Law Reporter.
